

An above-ground pool out of the ordinary

After a long, hot day, what could be more inviting for parents and kids than coming home to your own pool? It's a whole new world of family time and relaxation in the comfort of your own backyard. Citadel leads the way with a wide range of affordable above-ground pools that will bring you lasting style and value to your backyard.

COSTA

Above ground pool | Steel pool | citadelpools.com

COSTA

Designed and built according to the industry's highest standards, Costa pools are durable and stylish. The Costa is available in 52" depth, in a variety of Rounds, NBS and A-frame Ovals sizes to best suit your yard layout.

The Costa pool is constructed to withstand every season. Our legendary 7" painted galvanized steel ledge resists weather, water and wear. Durable 6" painted galvanized steel uprights provide strength, support and style. Painted galvanized steel top and bottom tracks for true weatherability. Injected resin bottom foot collars/connectors combo, 2-pc caps, for a pleasing overall look. Galvanized steel top connectors complete the structure.

FEATURING A 54" WALL

THE HARMONY

presented by:

the story...

Located in British Columbia, Canada, Harmony Falls is one of the largest waterfalls in North America. At 1456 feet in height and some 125' wide, this powerful feature of nature, blends into the countryside of Hotham Sound. The three tiers of Harmony Falls are so much a part of their natural surroundings that they can only be viewed well from an aircraft or watercraft.

The Harmony aboveground swimming pool from Blue Cascade features the ultimate in strength and beauty. It's state of the art design makes it the perfect choice for any backyard paradise. Featuring one of the widest, true radius, top ledges available and an astounding 54" depth, this pool is the pillar of strength and beauty. Each piece of the Harmony is precisely crafted and features a patented assembly system. Add one of the industry's strongest warranties and this pool will endure for a lifetime, guaranteed. Every Harmony is produced in North America and features a Vinyl Works deluxe pool liner, also manufactured in North America.

THE ALEXANDER

presented by:

the story...

Alexander Falls is a waterfall on Madeley Creek, in the Callaghan Valley area of the Sea to Sky Country. This region in British Columbia spreads from Horseshoe Bay through Whistler to the Pemberton Valley – and sometimes beyond to include Birken and D'Arcy. The falls consist of three drops that total up to 141 feet in total and are about 40 feet wide!

Just like The Alexander Falls, this swimming pool is beautiful to behold!

FEATURING A 52" WALL

THE PEARL

presented by:

the story...

The Pearl Waterfall - A beautiful waterfall located in northern Sichuan Province, of China. The waterfalls have a height of 7982 feet. The top of the waterfall is 533 feet in width and has a fall of 131 feet. The waterfall has an amazing scenery as it stands out within lush green hills. The waterfalls and the valley have almost 140 bird species living calmly. It also has a number of rare plants and animals.

The beauty of the waterfall is matched by the beauty of the Pearl Hybrid Aboveground Pool by Blue Cascade. Imagine this wonder in your own backyard surrounded by your lush green hills. A real standout! Each component is engineered to exacting standards and the pool is assembled using a patented connection system. The Resin frame and rails are made of the strongest and most resistant materials available for aboveground pools. Every Pearl pool is manufactured in North America and features a Vinyl Works deluxe interior finish, fabricated in the USA.

THE PEARL

Features:

- 52" Pool Height

Design & Architecture

The Carvin Pool offers architecture on the cutting edge of Canadian Engineering. The quality of its 100% resin design provides an extremely reliable and robust product, which will be able to withstand the weather. All this, while also having a unique and modern design that will allow your backyard to stand out. Available sizes from 12 to 33 feet.

La piscine Carvin offre une architecture à la fine pointe de l'ingénierie canadienne. La qualité de sa conception 100% résine permet d'obtenir un produit extrêmement fiable et robuste, qui saura braver les intempéries. Tout cela, en ayant aussi un design unique et moderne qui permettra à votre cour extérieure de se démarquer. Tailles disponibles de 12 à 33 pieds.
